

Foundation Meeting Minutes

10-2-17

1. Welcome

2. Treasurer's Report – Elise

- In the bank, we have \$48,108.21 after paying for World of Music. We also have \$3898.35 in PayPal from the Red Envelope campaign. Total available funds is \$52,006.56. Elise has received \$12,593.35 so far for Fall Campaign. We are about half way through the campaign. Matches have not come in yet, but there have been some emails about matching. Every time match services are set up, you have to agree to certain terms. Northrop Grumman said their match could not be used to create fundraisers or advertising or printing costs or books or choir. We will not use Northrop Grumman matches for anything listed above. It will only be used for the science impact teacher.

3. Principal's Report-Cindy

- None today

4. World of Music Update

- Some classes started this week. Heather saw it today. She took pictures and explained it to us. The kids looked so happy. The district is coming to see it to celebrate it as well.
- World of Music sent an MOU for while they are here (such as the teacher needing to be present). It was sent to Cindy, and Elise is waiting to hear back. A main issue is using pictures of the students. Cindy is looking into who can be photographed and who cannot.

5. Red Envelope Campaign Update: About 100 families have donated as of today. Last year we had about 180 families by the end. We are more than halfway to our goal so far. We discussed letting families having a tile for every \$150 donated.

Those present liked that idea. Heather will run it by Erin.

8. Remind people to re register their Ralphs card and use Amazon button

- You can actually call Ralphs to re register.
- We need to look into Amazon Associates instead of Amazon Smile. Amazon Associates should give us more money. We need to get the link properly established. We do have Amazon Associates, though. Heather texted Prasad (past president) to see if Priyanka can contact him about this.

Next Meeting is November 6th at 7:00pm in the school library.
